85 years of innovation

Schlumberger is looking for individuals who seek challenges, are self motivated, and have a high energy level to apply for the Petrotechnical positions. These positions are demanding jobs involving state of the art technology to optimize solutions for Exploration and Production companies. Our petrotechnical experts - Geoscientists, Petroleum Engineers, IT Specialists, Mathematicians, & Physicists - play a vital role in our success.

If you're fascinated by the idea of working in the petrotechnical field, and ready to embrace the challenges, join us and develop your technical talents to the highest level.

We recruit BSc, MSc and PhD. To apply or find additional information, please visit our website. Resumes will be collected at the information session for consideration for on-campus interviews.

Info Session: Monday, February 11, 2013

We invite you to meet with us for an inside look to the upcoming available Petrotechnical Positions. You will have an opportunity to talk one on one with Schlumberger representatives and learn more about who we are and what we do as an Oilfield Servicing Company. Food and Beverages will be provided!

To apply, view testimonials, or additional information, visit our website: careers.slb.com

What will you be?
