Microsoft

Tech Fest

Thursday, January 31, 5-8 pm
RTH Main Lobby

Please join Microsoft Engineers for an evening of informal demos of new Microsoft products and current projects. Have the opportunity to speak to engineers building our future technologies and ask questions and get answers. Come hear how skills you are learning in courses can be applied in an industry setting. **Free food and raffle prizes throughout the night**. Undergrads- Be sure to **drop your resume in the raffle box in RTH 218** for a chance to **win a Microsoft Surface!**
