

**AMGEN**<sup>®</sup>

#### OUR VALUES

- Be Science-Based • Compete Intensely and Win
- Work in Teams • Create Value for Patients, Staff and Stockholders
- Trust and Respect Each Other • Ensure Quality
- Collaborate, Communicate and Be Accountable • Be Ethical

Amgen, a biotechnology pioneer, will be on campus **Monday, November 11<sup>th</sup>** to discuss their **2014 Undergrad & Graduate Information System Summer Internship** opportunities located at their Thousand Oaks, Ca headquarters.

Come join Amgen from 5pm-7:30pm at the Trojan Room, Student Union Building Lower Level B-3 to learn about Amgen's Mission, Values, Products, Strategic Initiative and Pipeline as well as our commitment to our community and employees. Also, meet representatives from the business and human resources to learn about the Information Systems and Finance organization and their internship opportunities.

#### Why choose Amgen for your Summer Internship?

- Rewarding and meaningful projects
- Mentorship
- Competitive compensation (i.e. paid summer shutdown & holidays)
- Access to Fitness Center (AmGym)
- Offsite and onsite activities hosted by AmGym i.e. surfing, kayaking, hiking, go-karting, bowling (something for everyone)
- Special Events: Dodger game networking event
- Executive Speaker Series & Poster Session
- Housing benefits (if eligible)

In order to be considered for the Internship, students must be planning to graduate in December 2014 or summer 2015.

Apply for Amgen internship opportunities on the USC Career Site and at [careers.amgen.com](http://careers.amgen.com)

As an EEO/AA M/F/V/D employer, Amgen values and encourages diversity in the workplace.
