

USC VITERBI INTERVIEW WORKSHOP

APRIL 18 IN RTH 211

12PM TO 1PM

Come practice your technical interviewing skills with Dun & Bradstreet Credibility Corp.'s interview workshop. Gain real world insight into how technical interviews are conducted at a local technology company. You will be talking with members of the technology team, including the VP of Technology, Shailen Mistry. **Be prepared to discuss your programming skills, utilize your problem solving abilities and discuss past development experience.**
