

AMGEN[®]

OUR VALUES

- Be Science-Based • Compete Intensely and Win
- Work in Teams • Create Value for Patients, Staff and Stockholders
- Trust and Respect Each Other • Ensure Quality
- Collaborate, Communicate and Be Accountable • Be Ethical

Amgen, a biotechnology pioneer, will be on campus **Monday, February 10th** to discuss their **2014 Undergrad & Graduate Information System Summer Internship** opportunities located at their Thousand Oaks, Ca headquarters.

Come join Amgen from 5:30pm-7:30pm at the Seeley G. Mudd (SGM) 101 to learn about Amgen's Mission, Values, Products, Strategic Initiative and Pipeline as well as our commitment to our community and employees. Also, meet representatives from the business and human resources to learn about the Information Systems organization and their internship opportunities.

Why choose Amgen for your Summer Internship?

- Rewarding and meaningful projects
- Mentorship
- Competitive compensation (i.e. paid summer shutdown & holidays)
- Access to Fitness Center (AmGym)
- Offsite and onsite activities hosted by AmGym i.e. surfing, kayaking, hiking, go-karting, bowling (something for everyone)
- Special Events: Dodger game networking event
- Executive Speaker Series & Poster Session
- Housing benefits (if eligible)

In order to be considered for the Internship, students must be planning to graduate in December 2014 or summer 2015.

Apply for Amgen internship opportunities on the USC Career Site and at careers.amgen.com

As an EEO/AA M/F/V/D employer, Amgen values and encourages diversity in the workplace.
