University of Southern California

Date: Wednesday, February 3rd

Time: 6:00pm - 7:30pm

Location: Seeley G. Mudd (SGM) 101

REFRESHMENTS PROVIDED

CHANCE TO WIN A 1 TB SSD!

Pure Storage is a fast growing company in Silicon Valley, whose world-class engineers are disrupting a \$60B market for enterprise storage with a modern all-flash storage array. We are a bunch of tech nerds who bleed Pure Storage orange. We are looking for university grads and interns in search of “hands on” experience learning about and finding simple solutions to complex problems.
