

LUNCH AND LEARN

DOCTORAL SEMINAR SERIES

OVERVIEW

This monthly series provides PhD students with a forum to improve communication skills and discuss scientific topics of societal significance in a friendly, peer-to-peer manner. Each month, one student will introduce a new topic and lead the group discussion over lunch.

Come hungry and ready to engage others!

EVENT DETAILS

Tuesday, January 30, 2018 at 12:00 PM (lunch is provided)

RSVP early as space is limited.

Contact Prof. Mojarad for lunch location.

PhD students from all STEM disciplines are welcome!

Faculty Advisor: Professor Sarah Mojarad (mojarad@usc.edu)

Funding for Lunch and Learn is provided by USC Viterbi's
Mork Family Dept. of Chemical Engineering & Materials Science
