Preparing For, and Landing, a Faculty Position

A panel of graduating Ph.D. students and a postdoc, moderated by Vice Dean Timothy Pinkston, will discuss key things to do in the early, middle, or latter stages of your Ph.D. studies and postdoc experience that will help you prepare for landing a faculty position. A Q&A will follow the panel discussion. A boxed lunch will be provided to all registered participants.

Panelists: Sangpil Yoon (BME graduating Ph.D. student), Naomi Fitter (CS Postdoctoral Scholar), Haifeng Xu (CS graduating Ph.D. student), and Gunjae Koo (EE-Systems graduating Ph.D. student) will share their experiences. If you're curious about or planning to seek a faculty position, don't miss this informative lunch panel!
