

SOCAL SOLIDS CONFERENCE 2023

Saturday, September 30, 2023 9:00 AM - 5:30 PM

The conference is aimed at facilitating the exchange of ideas, and collaboration amongst mechanics research groups throughout southern California and beyond. The day consists of three keynotes and three rounds of multiple lightning talks.

PLENARIES

GRACE GU

UNIVERSITY OF CALIFORNIA,
BERKELEY →

MEGAN VALENTINE

UNIVERSITY OF CALIFORNIA,
SANTA BARBARA →

ASSAD OBERAI

UNIVERSITY OF SOUTHERN
CALIFORNIA →

We encourage all students and early professionals to share research and avail networking opportunities for collaborative efforts. Ten (10) lightning talks are reserved for early career faculty and postdocs, four of which for non-R1 and postdoc scholars. Twenty-plus (20+) lightning talks are open to all researchers.
