Daniel J. Epstein Department of Industrial and systems Engineering
University of Southern California
Los Angeles, CA 90089-0091
smross@usc.edu

Education

B.S., Mathematics, Brooklyn College, 1963
M.S., Mathematics, Purdue University, 1964
Ph.D, Statistics, Stanford University, 1968

Professional Experience

Assistant Professor, Department of Industrial Engineering and Operations
Research (IEOR), University of California, Berkeley, 1968-1971
Associate Professor, IEOR, University of California, Berkeley, 1971- 1976
Professor, IEOR, University of California, Berkeley, 1976 - 8/2004
Daniel J. Epstein Chair Professor, Epstein Department of Industrial and
Systems Engineering, University of Southern California, 8/2004 - present

Honors

Humboldt US Senior Scientist Award, 1984
Founding editor of *Probability in the Engineering and Informational Sciences*
Cambridge University Press, 1986
Kloosterman Lecturer, Leiden University, The Netherlands, 1988
Fellow of the Institute of Mathematical Statistics, 1994
Informs Expository Writing Award Winner, 2006
Fellow of INFORMS, 2013
IFORS Distinguished Lecturer, 2014
Purdue University Department of Mathematics Alumni of the Year, 2016

Research Interests

Stochastic Dynamic Programming
Simulation
Applied Probability Models

Journal Affiliations

Founding and Continuing Editor in Chief, *Probability in the Engineering and Informational Sciences*, 1984 to present

Current Research Funding

PI of grant with National Science Foundation
