Microsoft is Coming to Campus, and we can’t stress enough how important internships are.

Freshmen to Seniors swing by RTH 306 on Tuesday 9/4 at Noon for some lunch and hear MS Recruiter Drew Pryor-Miller share some statistics about career growth when it comes to interns vs. non-interns, hear about the best ways to land a summer internship, and how you will benefit from a summer of learning and real-world experience.

Want to know how serious we are about internships? Take the Internship/Co-op Survey for sophomores - seniors that Viterbi Career Services sent out, and automatically be entered to win an Xbox 360 Kinect bundle! Winner will be announced Sep 17
