“TALK TO ME”

Wednesday, April 10th
1:15-2:30pm
RTH 211
RSVP: bit.ly/1635JHg

Everyone keeps telling you that you should go talk to your professors but you don’t know quite how to approach them or what to talk about?

Don’t worry! This is the perfect workshop for you. During the “Talk to me” workshop we will learn some tools on how to talk to faculty members so that you can succeed!

Professor Madni (ISE) will be joining us for lunch!
